'World Art Day' comes on April 15 of every year. It is Leonardo Da Vinci's birthday. People celebrate it around the world. Art is a wide range of human activities in creating the objects

with creative or technical skill. Art comes in different forms including painting, music, sculpting, calligraphy, cinema, etc.

The IAA (International Association of Art) designed the day April 15 as World Art Day. The main idea is to create a day for all the lovers of art and artists in the world to celebrate, not only the members of International Association of Art (IAA). The goal is to create a day to show the importance of art in the lives of everyone, of all ages and races. Events on this day can vary from special museum hours to conferences and special art galleries.

Celebrating the World Art Day is quite simple and very easy to remember. Just feel the power and the value of art. If you are skillful at some activities like painting, drawing, etc., just draw some pictures and them to your family members or friends. People can use #World Art Day to express their feelings on social media.
