**IIX. Cloze Test : Choose the best answer.**

The human race is only one small species of beings in the living world; many other groups exist among the creatures on this ..... . However, human beings have a great ..... on the rest of the world. People change the environment ..... . People affect weather conditions by increasing the amount of water in the air; when open land is changed into the farms, the humidity of the atmosphere in that area increases because of the increased vegetation. Human beings change the air by adding ..... like smoke from factories and fumes from automobile motors. Thus it can be said that human species changes the world through its ..... , by its habits. In other words, people are interfering in the nature.

**IX. Reading Comprehension: Read the following passage and answer the questions.( 4.5 PTS )**

Learning to respect other cultures is important for having new experiences and learning about the world. One of the first steps to learn about other cultures is to simply accept that there are many different cultures exist other than our own culture. One of the most important ways to learn to become respectful of other cultures is to spend some time reflecting on our own. Then it is important to understand something about other cultures. For those who want to learn about other cultures, but do not know where to start, a great place to start is reading about the cultures that interest them. In today's world if we all are able to know about other cultures, and respect them, life would be easier for most of us.

**True or False:**

41. Respecting other cultures often makes our lives easier.
42. Culture is only a combination of food, clothing and holidays.
43. Different people of the world may have different cultures and lifestyles.

**Give Complete answer to the following questions.**

44. Why should we respect other cultures?
45. Does the writer believe that our culture is better than others?
46. What happens if we don't respect other cultures?
