	<p>۸- متن زیر را بخوانید و به سوالات بصورت خواسته شده پاسخ دهید.</p> <p>The size and shape of your ears show your character more than any other part of the face. Other parts of the face changes as we get older but ears don't change their shapes. They only change in size.</p> <p>Reading people's character from their ears is very old science. In the past people thought that a person's ears with color were dangerous. They also thought that the shape of the ears showed if a person was musical or not.</p> <p>Today, too many people believe that the size and shape of the ears help you know if a person is musical . Ears are all different, and each different thing has a meaning.</p> <p>Next time you look at a person, see if his or her ears are large, medium size, or small. Look at the lobes (نرمه گوش). Ears that are always red mean that a person may get angry easily. Ears that are always cold and nearly white color mean that a person has a nervous character.</p> <p>30-when we grow up ,-----</p> <p>1-our ears will not change in size      2-our ears will be the same size</p> <p>3- our ears will get colder      4- our ears will not change in shape</p> <p>31-If someone's ears are red , it means-----.</p> <p>1-he / she is a kind person      2- he / she is very happy</p> <p>3-he / she may get angry easily      4- he / she drinks a lot</p> <p>32-If you look at someone'ears , the right way is to see-----.</p> <p>1-his face , ears and nose      2-the size , color and shape</p> <p>3- his mouth , eyes and nose      4- the hair , eyes and color</p> <p>33-How can we find out a person has a nervous character through his / her ears?</p> <p>1-When they are cold      2- when they are medium – size</p> <p>3-When they are not white color      4- when they are musical</p>
